of Public Convenience and Necessity.)

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application of Elite Limousines, LLC (the Applicant) in which the Applicant requests the cancellation of Class C Charter Certificate of Public Convenience and Necessity No. 7341-A (“Certificate”).

The record reveals that Class C Charter Certificate of Public Convenience and Necessity No. 7341-A was granted to the Applicant pursuant to Commission Order No. 2003-551, dated September 9, 2003, which amended the Applicant’s original Certificate (Certificate No. 7341) by a change in the passenger restriction. Original certification (Certificate No. 7341) to render motor passenger service was granted to the Applicant by Order No. 2003-108, dated March 5, 2003.

By request filed September 21, 2004, the Applicant advises that the last date the business operated was December 1, 2003, and therefore, the Applicant requests that Certificate of Public Convenience and Necessity No. 7341-A be cancelled.

Upon full review of the matters asserted in the instant request, the Commission is of the opinion, and so finds, that the relief requested by the Applicant should be granted.

IT IS THEREFORE ORDERED:

1. That Class C Charter Certificate of Public Convenience and Necessity No. 7341-A to provide motor carrier services issued to Elite Limousines, LLC is hereby cancelled.

2. That this Order shall remain in full force and effect until further Order of the Commission.
